

“At Sage we are passionate about simple, balanced, natural skin health. We understand healthy skin is beautiful skin”

Pedi & Wine Wednesdays

~Leg & Foot Therapy (Pedi) with glass of wine ~ \$25.
De-Stress (Lavender & Eucalyptus), De-Tox (Green Tea & Mint), Restore (Geranium & Sage)
All-natural essential oils and extracts that pamper repair and replenish. Sage creates a therapeutic environment for you to unwind from daily stress. Our 5 step ritual begins with gently skin cleansing, hot soak in dead sea salts which provide vital nutrients for blood circulation and balance, scrub which gently massages and buffs skin cells to relieve stress, mask that drives essential oils and moisturizers into the skin to begin the process of hydration, finally the recover which delivers nourishment into the skin and induces further relaxation and reduces soreness and stress. *De-Tox includes above and stimulates removal of toxins* add Vegan Polish \$5.
